

## Bucket Bag

**Teacher:** Gerri Bragdon  
**Class Fee:** \$45.00

Want to do some fun colorwork but ready to move beyond Fair Isle or Intarsia? This felted, mitered bag, designed by Vivian Hoxbro, offers up a new technique and endless possibilities of color combinations. Once you master the mitered knitting, Hoxley's patterns are easily accomplished (and sort of addicting to knit up). Knitting and purling skills are all you need to get started!

**Pattern:** *Knit to be Square* by Vivian Hoxley

**Yarn:** Cascade 200 (or any worsted weight, 100% wool yarn); two skeins of a main color and one skein each of four contrasting colors

**Needles:** one set of US size 10 DPNs and one US size 10 – 32" circular

**Notions:** stitch markers and a tapestry needle

**Gauge:** Gauge is not a concern for a felted bag
