

Bucket Bag

Teacher: Gerri Bragdon
Class Fee: \$60.00

Want to do some fun colorwork but ready to move beyond (or avoid the technicality of) Fair Isle or Intarsia? This felted, mitered bag, designed by Vivian Hoxbro, offers up a new technique and endless possibilities of color combinations. Once you master the mitered knitting, Hoxley's patterns are easily accomplished (and sort of addicting to knit up). Knitting and purling skills are all you need to get started!

Pattern: *Knit to be Square* by Vivian Hoxley

Yarn: Cascade 200 (or any worsted weight, 100% wool yarn); one skein each of five contrasting colors

Needles: one set of US size 10 DPNs and one US size 10 – 32" circular

Notions: stitch markers and a tapestry needle

Gauge: Gauge is not a concern for a felted bag
