

## Crochet Stitch Sampler

Teacher: Marly Bird  
Class Fee: \$60.00

If you want to create new and original afghans for babies or yourself, then this Sampler class will help you achieve that goal and provide the building blocks to advance your crochet skills, too. Here, students will focus on nine different crochet stitches to create the separate blocks for the Sampler afghan and learn to join them cleanly and professionally. This class will help you visualize the big picture and put your ideas together to produce an heirloom (or two, or three!).
