

Klondike and Snow Reversible Headband

Teacher: Beth Ellis
Class Fee: \$60

This reversible headband is as fun to knit as it is to wear. You will be amazed how interesting the earflaps are to make using short rows. Learn to Fair Isle both in rows and in the round. Warming up on the inside and cruising to the outside, it never gets boring. Double thickness makes it twice as warm!

Please purchase materials at the Knit Knack.
