Prism Bag

Teacher: Beth Ellis

Class Fee: \$45

Nora J. Bellows, famous for her eclectic bags has designed a smaller Fair Isle bag (for those of you who love the Medallion Bag but don't need a large bag). Knitters will learn the Fair Isle technique both in stockinette and in the round. The booklet includes instructions for two sizes in both solid and Fair Isle patterns. Both bags are about 17" long and 6 1/2" to 9" tall. Felting this bag makes it strong and sturdy. We will learn to line it in the last class.
