

**The  
Ravenna  
Satchel**

**Teacher:** Beth Ellis  
**Class Fee:** \$60

Modern, functional and beautiful, the innovative Ravenna Satchel combines Intarsia knitting, felting and needle felting. Flowing and curved lines are the result, normally impossible to achieve in knitting. Double stranded yarn and large needle size insure that you don't spend your life knitting the front and sides of the bag!

**Materials—Please purchase at Knit Knack!**

- Pattern:* Tinkknit's "Ravenna Satchel"
- Yarn:* Cascade 220 (4 skeins of black or back, bottom color and 1 skein each of background color and 1 skein each of flowers and leaf colors)
- Needles:* US size 11 with a 32" or 40" cable
- Notions:* Yarn bobbins: at least 4 large and 20 small, needle felting kit (foam and needles), tapestry needle, and scissors
