

Tatiana Sweater

Teacher: Marly Bird
Class Fee: \$60.00

This lovely, lacy V-neck is a perfect layer for the office, adding a touch of elegance to your workday before traveling nicely to an evening out. The engaging lace pattern calls for a bit of attention for the first repeat but then moves smoothly with shaping worked at row ends. The sweater is done in one piece with seaming just at the arms. Tiny buttons close the deep ribbed waistband and sleeve bands.
